HOUSE MAID/ NANNY

Dedicated house assistant or nanny with a very strong passion for my job. I have learnt to work under pressure, with family of both elders and kids through the experience I have gained over the years. I am very flexible working under an environment that has a wide range of tasks that require my input to make the environment suitable for the household or family. I promise to exert my optimum effort if given a chance & carryout my job tasks with passion.
